Condition of New Enrollment

Welcome to St. Edmond Catholic School!

At St. Edmond, we are committed to providing a safe, faith-filled, and positive learning environment where every student can learn, grow, and succeed. As a condition of enrollment in our school, your child will begin the school year with a first-semester probationary period designed to support a successful transition into our school community.

During this probationary period, your child is expected to:

- Participate successfully in daily classroom activities.
- Demonstrate safe and respectful behavior toward staff and fellow students.
- Meet the attendance expectations outlined in the St. Edmond Catholic School Handbooks.

Students are expected to consistently meet these expectations throughout the probationary period. If your child does not demonstrate satisfactory progress toward these expectations, school administration will review the student's continued enrollment at St. Edmond Catholic School.

Our goal is to partner with your family to help your child build a strong foundation for success while maintaining a safe and supportive learning environment for all students. We value the partnership between home and school and look forward to working together to help your child have a successful and rewarding experience at St. Edmond Catholic School.

St. Edmond Catholic School thanks you for choosing a Catholic education for your child. It is one of the best investments you will make in their faith and their future.
